Bounce Back and Thrive! Parenting Program

This is a 10-session parenting program. You will learn skills to achieve family calm and happiness: Build resilience in everyday interactions with your children; let go of stress allowing you to solve problems or conflicts; teach your children to manage anger, frustration, and stress; assist your children in improving their confidence and self-esteem.

Cooking with OCOF

This program offers parents and caregivers the opportunity to learn about the importance of healthy eating and to develop their cooking skills by preparing healthy affordable meals.

Explorers Club

This outdoor play-based program gives children and their parents/caregivers the opportunity to interact with the natural world around them.

Family Fun Night

This program gives families the opportunity to interact together in an open and welcoming environment while participating in games and physical activities together. A healthy nutritious meal is served.

Getting Healthy with OCOF

This is a wellness program that promotes healthy and positive lifestyle choices.

Groupe de jeux

Ce programme d'apprentissage par le jeu fournit aux enfants et aux parents/tuteurs l'occasion d'interagir dans un environnement ouvert et accueillant tout en participant ensemble à des activités pédagogiques favorisant l'engagement et l'inclusion.

Nobody's Perfect Parenting Program

At Nobody's Perfect sessions, you can learn about your child's feelings, behaviours, body, and safety as well as sharing what it is like to be a parent. Sessions are based on what you and other parents want to learn about, not step by step from a book.

Playgroup

By engaging in play, the children and their parents/caregivers learn together in an open, welcoming, inviting, and inclusive environment.

Time for YOU

Parenting can be very rewarding and equally as challenging at times. Join us for some fun crafting opportunities and some well-deserved self-care. Take time to connect, relax and try new activities!

Welcome Baby

Welcome Baby inspires parents/caregivers with babies up to 12 months of age to explore, interact and research with materials which supports curiosity, learning and development.
